Summary of PPG spending 2015/16
<p>Purpose of PPG spending:</p> <p>We will use the pupil premium grant in ways we think will best support the raising of attainment for the most vulnerable pupils. Our priority in the academic year 2017-2018 will be focussed on 'narrowing the gap' for those pupils not on track to achieve ARE at the end of KS1 and ARE at the end of Key Stage 2 as well as supporting children in other classes who might not achieve as well as their peers, or where their progress has been below expectation. The premium is provided in order to support these pupils in reaching their potential. We recognise that not all pupils who are disadvantaged are registered or qualify for free school meals and, therefore, reserve the right to allocate Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being vulnerable.</p> <p>Links to School Development Plan</p> <ol style="list-style-type: none"> 1. <u>Achievement of Pupils</u> <ol style="list-style-type: none"> 1.1 Improve achievement in Reading and Maths 1.2 Ensure that all pupils progress well in core curriculum areas 2. <u>Quality of Teaching</u> <ol style="list-style-type: none"> 2.1 Teaching must meet the needs of all learners - Differentiation and Challenge 3. <u>Behaviour and Safeguarding</u> <ol style="list-style-type: none"> 3.1 Improve Attendance and Punctuality
