

Friday 24th May, 2019

Dear Parents/Carers,

I just wanted to write with a few items of information, as we draw to the end of a very short, but very busy half-term in school!

With this letter, you will have received information about a consultation regarding the development of Resourced Provision for pupils with Special Educational Needs, within school. This is to make use of the additional classrooms we now have, due to our contraction from three-form entry, to two-form entry. Please let me assure you that this will have no significant impact on your child's education, but will contribute to the school's finances, and benefit the school as we continue to pursue our vision of inclusive education. If you can find the time, I would ask that you support the consultation, by following the link on the letter, or via the school website.

I also felt I should let you know that we say goodbye to Miss Younis (McMillan Cover Supervisor), who leaves us today, as she is relocating to Manchester. I am sure you will join me in thanking Miss Younas for her contribution to the school, during her time with us.

Should you have any questions regarding Resourced Provision, or any other aspect of school, I am available as always, if you ask at the school office, or you may want to attend our parent forum meeting on Monday 17th June at 9am.

I hope you all have a relaxing break and Eid Mubarak to all who are celebrating. We break up today for two weeks, and return to school on Monday 10th June. I look forward to seeing you after the holiday.

Thank you for your continued support.

Yours faithfully,

Mr R Lewis
Headteacher
